REMINDER: Car Rider Pick-Up Procedures

Dear Parents/Guardians,

As we welcome the new school year, our CBMES faculty and staff would like to take this time to remind our car riders and their families of the pick-up procedures. These procedures may be something new to returning parents, however, these are procedures that ultimately look towards the safety of all children in our car rider area.

- One area is designated for entrance, the other for exit. Please do not try to exit through the entrance way.
- Cars will momentarily stop to allow busses to leave the campus. Afterwards, cars will process out as usual.
- Parents who opt to park must come and retrieve their children, and walk them to their vehicle.
- Parents who opt to drive through to pick up their child: please be mindful of other parents who are crossing. Please also extend courtesy to the cars who are trying to leave because they already have their children in the vehicle.
- Please treat those in the car rider pick up area (including all students, teachers, staff, other parents) with kindness and respect. How we act towards others is what we teach our children to behave.
- No parking in the F-Wing classrooms. These areas are off-limits.

Our CBMES faculty and staff thank you for your assistance in this matter, and apologize for any inconvenience this may cause. However, our foremost goal is to ensure your child’s safety. We look forward to working with your families towards a productive and safe school year.

Sincerely,

Ms. Castro, CBMES Administrator
